ARTICLE X, titled OWNERSHIP OF DOCUMENTS:

Upon termination of this Agreement for any reason whatsoever as described herein, Lobbyist shall promptly return to MIAMI DDA all originals and all copies of any and all records, files, notes, contracts, memoranda, reports, data, electronic files, work product and similar items and any

Lobbyist hereby acknowledges that any and all such items, physical representations and information that Lobbyist has used, prepared or come into contact with, or shall use, prepare, or come into contact with while acting as a consultant of MIAMI DDA are, and shall remain at all times, the sole property of MIAMI DDA. MIAMI DDA agrees that Lobbyist will retain ownership of Lobbyist's preexisting intellectual property used in conjunction with performance of the Services. This intellectual property may include computer programs, (including any source code, object code, enhancements and modifications), all files, (including computer generated forecasts and analysis), and all documentation related to such computer programs and files, all media upon which any such computer programs, files and documentation are located (including tapes, disks and other storage media), and models. Lobbyist grants to MIAMI DDA a non-exclusive, non-assignable, royalty-free license to exhibit, publish, transmit, copy, modify, prepare derivative works from, distribute, display and use any portion of the deliverable identified in the Scope of Work of which MIAMI DDA has not been identified in this section as the owner of such intellectual property.

ARTICLE XII, titled AWARD OF AGREEMENT:

Lobbyist represents and warrants to MIAMI DDA that it has not employed or retained any person or company employed by MIAMI DDA to solicit or secure this Agreement and that it has not offered to pay, paid, or agreed to pay any person any fee, commission, percentage, brokerage fee, or gift of any kind contingent upon or in connection with, the award of this Agreement.

ARTICLE XIII, titled PUBLIC RECORDS:

Lobbyist understands that the public shall have access, at all reasonable times, to all documents and information pertaining to MIAMI DDA contracts, subject to the provisions of Chapter 119, Florida Statutes, and agrees to allow access by MIAMI DDA and the public to all documents subject to disclosure under applicable law. Lobbyist's failure or refusal to comply with the provisions of this section shall result in the immediate cancellation of this Agreement by MIAMI DDA.

Pursuant to the provisions of Section 119.0701, Florida Statutes, Lobbyist must comply with the Florida Public Records Laws, specifically the Lobbyist must:

- A. Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the service.

Lobbyist agrees that any of the obligations in this section will survive the term, termination and cancellation hereof.

If the Contractor has questions regarding the application of Chapter 119, Florida Statutes, to the Contractor's duty to provide Public Records relating to this contract, contact the Custodian of Public Records Ivonne de la Vega at (305) 579-6675 or delavega@miamidda.com

ARTICLE XIV, titled COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS:

Lobbyist understands that agreements between private entities and local governments are subject to certain laws and regulations, including laws pertaining to public records, conflict of interest, record keeping, etc. MIAMI DDA and Lobbyist agree to comply with and observe all applicable federal, state and local laws, rules, regulations, codes and ordinances, as they may be amended from time to time.

Lobbyist further agrees to include in all of Lobbyist's agreements with subcontractors for any Services related to this Agreement this provision requiring subcontractors to comply with and observe all applicable federal, state, and local laws rules, regulations, codes and ordinances, as

they may be amended from time to time.

ARTICLE XV, titled INDEMNIFICATION:

Lobbyist agrees to indemnify, hold harmless and defend MIAMI DDA and its directors, officials, employees and agents (collectively referred to as "Indemnities") and each of them from and against all losses, costs, penalties, fines, lawsuits, actions, causes of actions, judgments, decrees, damages, claims, expenses (including attorney's fees and costs) and/or liabilities (collectively referred to as "Liabilities"), resulting from, or in connection with (i) the performance or non-performance of the Services contemplated by this Agreement which is or is alleged to be directly or indirectly caused, in whole or in part, by any act, omission, default or negligence (whether active or passive) of Lobbyist or its employees, agents or subcontractors (collectively referred to as "Lobbyist"); and/or (ii) the failure of the Lobbyist to comply with any of the paragraphs herein; and/or (iii) the failure of the Lobbyist to conform to statutes, ordinances, rules, or other regulations or requirements of any governmental authority, federal, local, or state, in connection with the performance of this Agreement. In addition, Lobbyist expressly agrees to indemnify, hold harmless and defend the Indemnities, or any of them, from and against all liabilities which may be asserted by an employee or former employee of Lobbyist, or any of its subcontractors, as provided above, for which the Lobbyist's liability to such employee or former employee would otherwise be limited to payment under state Workers' Compensation, Unemployment, Labor, Disability, or Wage related claims or actions, or similar laws.

Lobbyist further agrees to indemnify, hold harmless and defend the Indemnities from and against (i) any and all Liabilities imposed on account of the violation of any law, ordinance, order, rule, regulation, condition, or requirement, related directly to Lobbyist's negligent performance under this Agreement, compliance with which is left by this Agreement to Lobbyist, and (ii) any

and all claims, and/or suits for labor, supplies, equipment, or and materials furnished by Lobbyist or utilized in the performance of this Agreement or otherwise. Lobbyist's obligations to indemnify, hold harmless and defend the Indemnities shall survive the termination of this Agreement.

Lobbyist understands and agrees that any and all liabilities regarding the use of any subcontractor for Services related to this Agreement shall be borne solely by Lobbyist throughout the duration of this Agreement and that this provision shall survive the termination of this Agreement.

ARTICLE XVI, titled MIAMI DDA'S TERMINATION RIGHTS:

MIAMI DDA shall have the right to terminate this Agreement, in its sole discretion, at any time, for any or no reason, by giving written notice to Lobbyist at least ten (10) calendar days prior to the effective date of such termination. In addition, MIAMI DDA shall review the performance of Lobbyist under this agreement yearly and notify Lobbyist by October 1 of each calendar year of its intent to terminate the Agreement or continue with the services. In the event of termination, MIAMI DDA shall pay to Lobbyist compensation for Services rendered and expenses incurred prior to the effective date of termination. Such payment shall be determined on the basis of the hours or the percentage of the total work performed by the Lobbyist up to the time of termination certified in accordance with the provisions of this Agreement. In the event that a partial payment has been made for Services not performed, the Lobbyist shall return such sums to the MIAMI DDA within ten (10) days after receipt of written notice that said sums are due. In no event shall MIAMI DDA be liable to Lobbyist for any additional compensation, other than that provided herein, or for any consequential or incidental damages.

Lobbyist understands and agrees that termination of this Agreement under this section shall not release Lobbyist from any obligation accruing prior to the effective date of termination. Should

Lobbyist be unable or unwilling to commence to perform the Services within the time provided or contemplated herein, then, in addition to the foregoing, Lobbyist shall be liable to MIAMI DDA for all expenses incurred by MIAMI DDA in preparation and negotiation of this Agreement, as well as all costs and expenses incurred by MIAMI DDA in the re-procurement of the Services, including consequential and incidental damages.

ARTICLE XVII, titled DEFAULT: If Lobbyist fails to comply with any term or condition of this Agreement, or fails to perform in any way of its obligations hereunder, and fails to cure such failure within ten (10) days after reasonable notice from the MIAMI DDA, then Lobbyist shall be in default. Upon the occurrence of a default hereunder MIAMI DDA shall be entitled to compensation for any damages caused by the default, in addition to all remedies available to it by law, whereupon all payments, advances, or other compensation paid by MIAMI DDA to Lobbyist while Lobbyist was in default shall be immediately returned to MIAMI DDA. Upon termination of this Agreement, Lobbyist shall, at no additional charge, assist in orderly transition of services to a new Lobbyist selected by MIAMI DDA.

Lobbyist understands and agrees that termination of this Agreement under this section shall not release Lobbyist from any obligation accruing prior to the effective date of termination. Should Lobbyist be unable or unwilling to commence to perform the Services within the time provided or contemplated herein, then, in addition to the foregoing, Lobbyist shall be liable to MIAMI DDA for all expenses incurred by MIAMI DDA in preparation and negotiation of this Agreement, as well as all costs and expenses incurred by MIAMI DDA in the re-procurement of the Services, including consequential and incidental damages.

ARTICLE XVIII, titled INSURANCE: Lobbyist shall, at all times during the term hereof,

maintain Professional Liability Insurance in the amount of \$1,000,000.00. Lobbyist shall ensure that all subcontractors retained by the Lobbyist under this Agreement also maintain the required insurance coverage. All such insurance, including renewals, shall be subject to the approval of MIAMI DDA for adequacy of protection and evidence of such coverage shall be furnished to MIAMI DDA on Certificates of Insurance indicating such insurance to be in force and effect and providing that it will not be canceled during the performance of the Services under this contract without thirty (30) calendar days' prior written notice to MIAMI DDA. The MIAMI DDA and the City shall be named as Additional insureds on any and all certificates as required herein. Completed Certificates of Insurance shall be filed with MIAMI DDA prior to the performance of Services hereunder, provided, however, that Lobbyist shall at any time upon request file duplicate copies of the policies of such insurance with MIAMI DDA. If, in the judgment of MIAMI DDA, prevailing conditions warrant the provision by Lobbyist of additional liability insurance coverage or coverage which is different in kind, MIAMI DDA reserves the right to require the provision by Lobbyist of an amount of coverage different from the amounts or kind previously required and shall afford written notice of such change in requirements thirty (30) days prior to the date on which the requirements shall take effect. Should the Lobbyist fail or refuse to satisfy the requirement of changed coverage within thirty (30) days following MIAMI DDA's written notice, this Contract shall be considered terminated on the date the required change in policy coverage would otherwise take effect.

ARTICLE XIX, titled NONDISCRIMINATION: Lobbyist represents and warrants to MIAMI DDA that Lobbyist does not engage and will not engage in discriminatory practices and that there shall be no discrimination in connection with Lobbyist's performance under this Agreement on account of race, color, sex, religion, age, handicap, marital status or national origin. Lobbyist

further covenants that no otherwise qualified individual shall, solely by reason of his/her race, color, sex, religion, age, handicap, marital status or national origin, be excluded from participation in, be denied services, or be subject to discrimination under any provision of this Agreement.

ARTICLE XX, titled ASSIGNMENT: This Agreement shall not be assigned by Lobbyist, in whole or in part, without the prior written consent of MIAMI DDA's, which may be withheld or conditioned, in MIAMI DDA's sole discretion. Lobbyist may not change or replace sub-contractors performing work under the Scope of Services without the prior written approval by MIAMI DDA.

ARTICLE XXI, titled NOTICES: All notices or other communications required under this Agreement shall be in writing and shall be given by hand-delivery or by registered or certified U.S. Mail, return receipt requested, addressed to the other party at the address indicated here in or to such other address as a party may designate by notice given as herein provided. Notice shall be deemed given on the day on which personally delivered; or, if by mail, on the fifth day after being posted or the date of actual receipt, whichever is earlier.

ARTICLE XXII, titled MISCELLANEOUS PROVISIONS: This Agreement shall be construed and enforced according to the laws of the State of Florida. Venue for any claim, case, or controversy that may arise from the performance or non-performance of this Agreement shall be heard in a court of competent jurisdiction in and for Miami-Dade County. Title and paragraph headings are for convenient reference and are not a part of this Agreement. ARTICLE XXIV, titled INDEPENDENT CONTRACTOR: Lobbyist has been procured and is being engaged to provide Services to MIAMI DDA as an independent contractor, and not as an agent or employee of MIAMI DDA or the City. Accordingly, Lobbyist shall not attain, nor be entitled to, any rights or benefits under the Civil Service or Pension Ordinances of the City of

Miami, nor any rights generally afforded classified or unclassified employees. Lobbyist further understands that Florida Worker's Compensation benefits available to employees of the City are not available to Lobbyist, and agrees to provide workers' compensation insurance for any employee or agent of Lobbyist rendering Services to MIAMI DDA under this Agreement.

ARTICLE XXV, titled CONTINGENCY CLAUSE: Funding for this Agreement is contingent on the availability of funds and continued authorization for program activities and the Agreement is subject to amendment or termination due to lack of funds, reduction of funds and/or change in regulations, upon thirty (30) days' notice.

ARTICLE XXVI, titled ENTIRE AGREEMENT: This instrument and its attachments constitute the sole and only agreement of the parties relating to the subject matter hereof and correctly set forth the rights, duties, and obligations of each to the other as of its date. Any prior agreements, promises, negotiations, or representations not expressly set forth in this Agreement are of no force or effect.

ARTICLE XXVII, titled COUNTERPARTS: This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute one and the same agreement.

ARTICLE XXVIII, titled TIME FOR COMPLETION: Any specific task described in Attachment "A" shall commence upon execution of this document by both parties.

ARTICLE XXIX, titled FORCE MAJEURE: Force Majeure shall mean an act of God,

epidemic, lighting, earthquake, fire, explosion, hurricane, flood or similar occurrence, strike, an act of public enemy, or blockade, insurrection, riot, civil disturbance or similar occurrence, which has a material effect adverse impact on the performance of this Agreement, and which cannot be avoided despite the exercise of due diligence. The term Force Majeure DOES NOT INCLUDE inclement weather (except as noted above) or the acts or omissions of subconsultants/subcontractors, third-party consultants/contractors materialmen, suppliers, or their subcontractors, unless such acts or omissions are otherwise encompassed by the definition set forth above.

No party hereto shall be liable for its failure to carry out its obligations under the Agreement during a period when such party is rendered unable, in whole or in part, by Force Majeure to carry out such obligations, but the obligation of the party or parties relying on such Force Majeure shall be suspended only during the continuance of any inability so caused and for no longer period of said unexpected or uncontrollable event, and such cause shall, so far as possible, be remedied with all reasonable dispatch.

It is further agreed and stipulated that the right of any party hereto to excuse its failure to perform by reason of Force Majeure shall be conditioned upon such party giving, to the other party or parties, written notice of its assertion that a Force Majeure delay has occurred as soon as practicable after the occurrence but not later than ten (10) working days after the occurrence, unless there exists good cause for failure to give such notice, in which event, failure to give such notice shall not prejudice any party's right to justify any nonperformance as caused by Force Majeure unless the failure to give timely notice causes material prejudice to the other party or parties.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their

respective officials thereunto duly authorized, this the day and year above written.

5. Summary of Proposer's Qualifications

- a. Identify the project manager and each individual who will work as part of the engagement. Include resumes for each person to be assigned. The resumes may be included as an appendix.**

The project manager will be Jason Unger. Working alongside him will be team members Dean Cannon, Kim McDougal and Joseph Salzverg. Their full resumes are included in the Appendix section of this proposal.

- b. Describe the experience in conducting similar projects for each of the consultants assigned to the engagement. Describe the relevant educational background of each individual.**

Jason Unger has lobbied on behalf of public entities, including the South Broward Hospital District, for over 18 years. He has represented the City of Hollywood since 2008. Jason has been in the political arena since he graduated from the University of Florida Levin College of Law in 1993. Jason served as Special Counsel to the Florida House of Representatives, and has represented George W. Bush and Richard Cheney in the 2000 presidential election contest, the Florida House of Representatives in the 2002 and 2012 redistricting cycles, the Republican Party of Florida and members of the Legislature in election law matters.

Dean Cannon began his career as a lawyer in Orlando, practicing state and local government law after graduating from the University of Florida Levin College of Law in 1992. Dean has represented local governments both as a lawyer and a lobbyist since 1996. Dean served in the Florida House of Representatives from 2004 until 2012, playing pivotal roles in property tax reform, growth management reform, health care and Medicaid reform, and major transportation infrastructure policy initiatives, among others. He was selected by his peers to become Speaker of the House for the 2010 to 2012 term and is credited with effectively leading the Florida House during a time of great economic and political challenge.

Dean has represented local governments and private sector clients before local, regional, state, and federal government entities. He has represented cities and counties and quasi-governmental authorities before the Legislature and executive branch on issues ranging from electric and wastewater utilities to transportation, appropriations and land use and administrative law.

Kim McDougal graduated with a Ph.D. from Florida State University and began her public service career with the State of Florida in 1989. Most recently, Kim served as Chief of Staff to Florida Governor Rick Scott. In that role, she was responsible for directly serving and advising the Governor on issues pertaining to more than 100,000 executive branch employees and for administering an \$83 billion state budget. She also served as Governor Scott's Deputy Chief of Staff, Legislative Affairs Director, Education Policy Coordinator and as Policy Advisor during his successful reelection campaign.

Kim's experience in state government is unique and impressive. She has led the state through its responses to the Zika virus outbreak (including creating Zika Zones), the Pulse nightclub terrorist attack, two hurricanes, a shooting at the Ft. Lauderdale airport, brush fires, prison riots, sinkholes,

and numerous other events and incidents that impacted one or more local governments; thus she has extensive experience working with cities and counties. She understands the needs of local government in times of crisis and can help navigate the state agencies and the legislative process to champion and pursue priorities for the future.

Joseph Salzverg has lobbied on behalf of public entities, namely cities and counties, since he graduated from the Florida State University College of Law in 2015 and has represented the City of Hollywood since 2017. Joseph is well-versed in advocating for home rule, whether it is fighting against preemption measures during the legislative session or working to pass general bills, local bills and amendments on behalf of his local government clients. Additionally, Joseph has been successful in helping secure millions of dollars in funding for his clients in the form of legislative appropriations, grants and cost-sharing arrangements. Prior to his lobbying career, Joseph worked as committee staff in the Florida House of Representatives and in the City of Miami, Office of the City Attorney.

c. Describe the organization of the proposed project team, detailing the level of involvement, field of expertise and estimated hours for each member of the team.

Jason Unger will serve as the project manager, overseeing the team of Dean Cannon, Kim McDougal and Joseph Salzverg. While these professionals will be working most closely with the City, this is in no way an exhaustive list of the government relations consultants and attorneys available to you at GrayRobinson should additional expertise be needed.

The team will be involved as much as the City requests and will be available to attend meetings and appointments with the City of Hollywood government staff, legislators and agency officials as often as requested.

Each member of the City of Hollywood team brings his or her own expertise as described above and in the Appendix. Collectively, the team has over five decades of experience. In addition, GrayRobinson's lobbying team includes former Speaker of the Florida House Larry Cretul, former General Counsel to the Florida House and Senate, and other team members who act as policy advisors, strategic consultants and general advocates for multiple public entities. Through these experiences, GrayRobinson has developed close relationships with legislative leadership, influential committee chairs and their staff. We make it a priority to cultivate relationships with decision makers and those with influence at all levels of government impacting Florida and will bring these relationships to the City of Hollywood.

The team is committed to devoting as many hours as requested by the City to successfully fulfill the terms of this engagement.

d. Describe what municipal staff support you anticipate for the project.

In our ten years representing the City of Hollywood, team lead Jason Unger has worked directly with the Chief Civic Affairs Officer for the City, who has connected us with City staff as needed. This has been a successful working relationship and we hope to continue this way, but are happy to adjust as requested by the City.

6. Project Understanding, Proposed Approach & Methodology

Describe your approach to performing the contracted work. This should include the following points:

- **Type of services provided. Discuss your role and that of other parties involved in the data gathering, data analysis and recommendation process.**
- **Discuss your project plan for this engagement outlining major tasks and responsibilities, time frames and staff assigned.**

Services Provided

GrayRobinson will continue to serve as the City of Hollywood's local and state lobbyists if selected as a result of this proposal. The Firm has represented the City since 2008 and would be honored to continue to do so.

Our government relations professionals, attorneys and consultants are at the forefront of emerging legislative and legal issues throughout each year and, in particular, during the months of the legislative session. Our team constantly monitors all legislative bill filings, appropriations requests and amendment filings. We subscribe to LobbyTools and use it as our primary bill tracking and monitoring system. It enables us to research bills, PCBs, amendments, statutes, legislators, committees, calendars and news and allows us to generate customized, up-to-date reports specific to you to ensure you receive the most timely and relevant information available. In addition, our team monitors all relevant legislative committee meetings, agency hearings, and any other meeting affecting the City's legislative agenda.

Typically, we report to our clients monthly, but will report more frequently as conditions warrant. For example, if we are monitoring a specific issue for the City that is moving rapidly through the process, we would keep you updated as much as possible. The formal reporting described is, of course, in addition to the regular communication we provide to all of our clients at all times.

We commit to always communicate with your staff and leadership the background and political realities of your various legislative priorities. In addition, the moment we are aware of legislation that impacts you, whether positively or negatively, we will alert you. This is especially so with funding issues. After session concludes, we will ensure that there is appropriate follow-through on all bills impacting you and will provide the City with a closing report as soon as practicable. If any additional reporting materials are needed, GrayRobinson will be happy to provide them to the City.

As part of our representation, we also commit to assisting the City Commission, Manager and staff in developing a 2019 legislative program. We propose an approach that includes frequent and ongoing communication, including attendance at all appropriate meetings of City leadership and any other meetings pertaining to its state and local legislative agenda. We will work with staff and other leadership to ensure we understand both the immediate and long-term goals that are integral to the City's success and the advancement of its strategic plan.

The team's well-respected background in government relations services is bolstered by the extensive network we maintain and active part that each member plays. Having the experience of professionals who have been on both sides of the legislative arena, we are able to offer a unique perspective on the inherent competition regarding allocations of national and state resources and the tension between federal, state, and local governments. Our interconnected relationship with former and current policymakers enables us to advise our clients on economic and fiscal trends, expenditure expectations, leadership priorities and the best achievable strategy to incorporate our clients' goals into the "big picture" of government issues.

With regard to constitutional and statutory issues, the team is highly attuned to the natural political and policy tensions that exist between state and local governments. While local elected officials continuously seek to provide strategic enhancements desired by their local communities, or necessary enhancements that may originate from unfortunate circumstances, the Legislature often steps in beyond what local officials consider appropriate or in a manner contrary to local efforts. This frequently is the source of much discord between local and state government.

If selected, our team will provide a combination of specialized experience with local government issues, exclusive access to leaders in the Legislature and executive branch, and deep-rooted connections with the City of Hollywood delegation and within Broward County. In addition, all professional lobbyists at GrayRobinson will be available to the City.

Project Plan

As has been the arrangement throughout the past ten years of representing the City of Hollywood, Jason Unger will be your primary point of contact for both state and local lobbying. Joseph Salzverg will serve as your secondary point of contact. Dean Cannon and Kim McDougal will bring added value to the City's team with a focus on state-level representation.

In addition, the City will have access to more than 300 government relations consultants and attorneys at GrayRobinson should additional expertise be needed.

Tasks/Time Frame

As is typically done before Session, GrayRobinson suggests meeting with the City of Hollywood prior to the start of the 2019 Committee Weeks to ensure we are intimately familiar with all of the City's priorities leading into the 2019 Session. During this meeting, we would discuss our strategy, to include:

- ❖ **Tactics and messaging.** During the months of September and October, Jason, Joseph, Kim and Dean will discuss the optimal strategy for targeting appropriate legislators in order to achieve the City's priorities.
- ❖ **Legislative strategy.** During the months of November and December, the team will refine any proposed statutory or appropriations-based changes and identify legislation that the City supports, opposes or wishes to amend.
- ❖ **Identify champions and supporters.** Concurrently, we will identify legislators who support each of these goals, as well as avenues to enact these changes. In some cases, this may be accomplished through the filing of individual policy bills by House and Senate Members

and moving them through the committee process. In those cases, ideally we will have this strategy in place and begin action in November and December.

As 2018 is an election year, the incoming Governor and new agency heads (most notably the Department of Environmental Protection) will be briefed on the City's 2019 legislative priorities. GrayRobinson maintains strong relationships with many of the current candidates for every cabinet position on the 2018 ballot. We fully expect our Firm to enjoy productive relationships with every new or renewed member of the cabinet after the 2018 elections have concluded.

7. Summary of the Proposer's Fee Statement

The Proposal will show the fee schedule. Express your fee in a lump sum not-to-exceed maximum amount and a separate price for the components of the work shown in scope of service and include a chart of the rates which ties the project plan and milestones to hours assigned to the personnel.

GrayRobinson proposes a \$50,000 annual fee for state and local lobbying services. This amount is inclusive of all components of work described in the Request for Proposal scope of services.

Additionally, indicate your expectations concerning reimbursement for travel, per diem expenses, photocopying, telephone lines or other incidental expenses, if applicable.

Documented, out-of-pocket expenses directly attributable to the performance of this work (i.e. lobbyist registration fees, travel requested by the City) may be billed in addition to our fee.

If additional work is required beyond the scope of this contract, how would those services be billed? This may include additional presentations or follow-up as requested.

If additional legal work is required, fees will be billed hourly as is currently done by other GrayRobinson lawyers presently representing the City of Hollywood.

- ***The description of the lobbyist's understanding of key issues to the City of Hollywood.***

Having represented the City of Hollywood since 2008, GrayRobinson is intimately familiar with key issues facing the City.

- ***Lobbyist's specific experience on key City issues referred to in Attachment A.***

Having represented the City of Hollywood since 2008, including the 2018 legislative session, GrayRobinson is very well-versed in the key City issues referred to in Attachment A. Below is a non-exhaustive list of specific experience with respect to the City's State and local priorities:

- On behalf of the City of Hollywood, the Firm successfully worked to defeat the vacation rental preemption bill after proponents refused to add "party house" language vital to the interests of the City.
- On behalf of the City of Hollywood and other local government clients, the Firm successfully advocated to preserve the ability to charge a local business tax and to maintain the current communications services tax rate within the tax package.
- On behalf of the City of Hollywood, the Firm was successful in having legislation and floor amendments filed relating to anchoring limitations for North and South Lakes. Further, the Firm was successful in cultivating an understanding of the City's concern with key members of the Legislature, the Executive Office of the Governor, and the Florida Fish and Wildlife Conservation Commission.
- On behalf of the City of Hollywood, the Firm was successful in working with the Florida Department of Transportation ("FDOT") in allowing City license plate readers to be placed on their rights-of-way.
- On behalf of the City of Hollywood, the Firm successfully worked with the Florida Department of Environmental Protection ("FDEP") in reassessing the City's reuse requirements for their ocean outfall closure. This resulted in a savings to the City and its taxpayers of approximately \$200 million.
- On behalf of the City of Hollywood, the Firm successfully worked with Broward County and other stakeholders to advocate for over \$50 million for the traditional beach management program and over \$11 million for post-Hurricane Irma damage recovery for Florida's beaches and shorelines.
- On behalf of the City of Hollywood, the Firm closely monitors any gaming legislation as well as the Seminole Compact negotiations to ensure the local mitigation provision is preserved. The Firm has been successful in this preservation and in thwarting any efforts to alter the local government splits.
- The Firm is well-versed in pursuing and obtaining funding for water projects such as septic-to-sewer conversions. In recent years, the Firm has been successful in obtaining Florida Keys Stewardship Act funding for a variety of projects including septic-to-sewer conversions.
- On behalf of Lake County, the Firm secured \$350,000 for the Magnolia Lane Water Quality Retrofit Lake Harris Basin.
- On behalf of Volusia County, the Firm secured over \$5.5 million in funding from FDEP and the St. Johns River Water Management District ("SJRWMD") for construction of an advanced wastewater treatment plant in the Blue Springs watershed.

- The Firm has participated in the Sadowski Coalition for many years, including the most recent effort to reinstate the state earmark of \$4 million for state homeless programs within the Department of Children and Families ("DCF").
 - The Firm was involved in the original creation of the state and local housing programs including the doc stamp deduction (Sadowski funds). The team continues to participate in the annual advocacy of SHIP and other housing programs.
 - The Firm is well-versed in navigating legislation and regulation with regard to pension plans. In each of the last two sessions, the Firm has successfully worked to pass local bills relating to the City of West Palm Beach's police pension plan.
 - On behalf of the City of Hollywood and other local government clients, the Firm successfully worked to defeat proposed legislation that would have revamped the legislative claim bill process and increased financial exposure to municipalities and their insurance carriers.
 - On behalf of the City of Hollywood, the Firm successfully settled an over \$1 million claim bill against the City in the amount of \$100,000, which represents less than 10% of the total excess judgment.
 - On behalf of the City of Hollywood and other local government clients, the Firm continuously fights attacks on home rule which are often in the form of preemption. During the 2018 session, the Firm was successful in working with other stakeholders in defeating local government preemption measures such as: the regulation of bicycle sharing, the sale of domestic animals, tree trimming, municipal elections and Community Redevelopment Agencies.
 - The Firm closely monitors all insurance-related legislation and will continue to keep the City apprised of any proposals adverse to its residents.
 - On behalf of the City of Hollywood and other local government clients, the Firm continuously advocates for an expansion in the use of tourist development taxes ("TDTs") by a local government.
 - The Firm was successful in advocating for the extension of the current authorization to use TDTs on beach nourishment and expanding the use of TDTs to include the development and operation of capital improvements to public facilities (such as transportation and water projects).
- ***Explanation of the lobbyist's plans to provide services on issues and subject areas outside the expertise of its team members, specifically those that may be identified in Attachment A.***

GrayRobinson has represented local governments since its inception in 1970. We have handled a wide array of issues for our public sector clients during these 48 years and are confident we can handle any issue/subject area that the City of Hollywood requires.

In addition, should their deep knowledge of various municipal issues and law be needed, GrayRobinson's 300+ attorneys and consultants provide an invaluable resource.

- ***Description of how the lobbyist would enhance the City's position with respect to legislation and budgetary authorizations and appropriations.***

GrayRobinson has represented the City of Hollywood since 2008. As a result of our mutually successful relationship, we are well-positioned to assist the City in obtaining appropriations and substantive legislative change specific to your priorities including those related to vacation rentals, local business tax, wastewater/utilities, appropriations, transportation and affordable housing.

- ***How the lobbyist plans to establish, maintain and enhance working relationships between City elected officials and staff and the executive and legislative branches of the state government as well as at the County level.***

The GrayRobinson lobbying team maintains excellent relationships with members of the Legislature, including Senate President Designate Bill Galvano, House Speaker Designate Jose Oliva, and members of their respective leadership teams throughout the State. In addition, we have strong relationships with Broward County Commissioners and their staff.

GrayRobinson also maintains strong relationships with many of the current candidates for every cabinet position on the 2018 ballot. As mentioned previously, we fully expect to enjoy productive relationships with every new or renewed member of the cabinet after the 2018 elections.

We will use these relationships to ensure matters of importance to the City of Hollywood remain at the forefront of House and Senate Leadership decisions during Session. We will introduce City elected officials and staff to appropriate government leadership at the executive and legislative levels and work to develop effective communication strategies between City of Hollywood officials and government representatives.

- ***A list of accomplishments achieved on behalf of local governments as well as funding obtained for local governments during recent sessions.***

- Successfully secured an appropriation of \$277,650 for a Reef Pumpout Program.
- Successfully secured an appropriation of \$5 million in Florida Forever funding for Areas of Critical State Concern.

2017

- Secured \$1 million in funds for the City of Key West's Vandenberg Project. The City of Key West sought state funding to purchase and sink the *U.S.S. Vandenberg* off the coast of Key West. This sinking has already led to increased tourism to the area by both the recreational fishing and diving industries.

2016

- Successfully amended the 2015 Affordable Housing bill with language important to the City.

2015

- Helped secure passage of the Florida Keys Stewardship Act. The Act adds Key West to the list of eligible areas for which Everglades restoration bonds may be issued and expands the range uses for the funds. In addition the bill allocates a minimum of \$5 million annually to the Florida Keys Area of Critical State Concern beginning FY 2016-2017 through FY 2026-2027. The bill also provides a specific appropriation of \$5 million in FY 2016-2017 to be distributed in accordance with the existing interlocal agreement for various water purposes and to enhance water supply, or for land acquisition.

2012

- Secured \$50 million to the Florida Keys Wastewater Treatment Plan and successfully lobbied for the passage and approval of legislation that designated the Schooner *Western Union*, currently harbored in Key West, as the official Flagship of the State of Florida. 2016

- Successfully amended Florida Statutes to clarify that, in instances where a municipality is the entity providing the required local financial incentive for an economic development project under the QTI program, it is the municipality, and not the County in which it resides, that handles all coordination with OTTED and provides the required wage-scale calculations.
- Successfully passed professional sports stadium legislation.

2014

The funding, which is continuing, was the first step in a redevelopment project that brought millions of dollars of private investment into an area that had fallen behind economically. This was the City of West Palm Beach's number one priority in 2015 and a major victory.

2013

- Obtained \$400,000 for Broadway Avenue improvements, phase 1.

The term "person" includes those officers, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.
